“We are a Green Dot Office”

Awareness (2 or more)
1. Have each faculty/staff member include information in their e-mail signature about Green Dot.
2. Add links to campus prevention efforts and campus/community resources on department website, social media, and other forms of multi-media platforms.
3. Develop a social media or e-mail campaign to include information about prevention (violence, safety, mental health, etc.), bystander intervention, or other resources.
4. Share social media post from @ISUGreenDot and @bewellisu on any platform (Facebook, Instagram, Twitter, YouTube, Snapchat).
5. Download and post Green Dot material and/or campus resources in office/facility space such as window clings and/or posters.

Staff Education (2 or more)
1. Host an Overview training during staff meeting and/or talk about the importance of bystander intervention in our community
2. Educate staff about signs of potential partner violence, sexual assault, and stalking
3. Encourage staff to participate in Faculty/Staff Bystander Training. (Available starting Fall 2018 at Learn@ISU)
4. Bonus (not required) Commit to one faculty/staff member being Green Dot Facilitator trained in the next two fiscal years.

Action (2 or more)
1. Attend or engage in one Green Dot program over the next academic year (i.e. Green Dot Action Week, Green Dot Launch).
2. Volunteer your time with the Green Dot, survivor services, or prevention awareness program at Iowa State or in Ames
3. Commit to being a role model for all students, including using respectful language, showing compassion, being approachable, and looking out for others.
4. Incorporate ideas from the proactive Green Dot Toolkit
